

# EXPLORE MORE *in mining engineering*

DISCOVER AN EXCITING CAREER IN MINING ENGINEERING. APPLY FOR THE EXPLORE MORE SCHOLARSHIP TODAY!

## APPLICATION INSTRUCTIONS

Applications are accepted and considered on a first come, first served basis. Please complete both PART I and PART II of this form. In PART II, applicants must watch a series of short videos and answer three questions. Additionally, two letters of recommendation and your most recent transcript, either high school or college, are required.

Applications will not be reviewed until all necessary documents are present in the applicant's file. This application and the necessary supporting documents may be emailed as PDF attachments to [mining-info@lists.utah.edu](mailto:mining-info@lists.utah.edu) or mailed directly to The Department of Mining Engineering.

## PART II. OPEN ENDED QUESTIONS

All applicants should answer the following questions. Each question requires that you watch 1 or 2 short videos. Please keep answers to less than 300 words.

### QUESTION 1

Click on the link and watch "Ground Rules - Chapter 3". Why is mining a vital aspect of everyone's day-to-day life?  
<https://www.youtube.com/watch?v=xmXT1YgfoTA&list=PL31F52074D345CEA2&index=3>

### QUESTION 2

Click on the link and watch "The Future of Mining: Supercomputers, Drones". How do you think the mining industry will benefit from the implementation of new technology? <https://www.youtube.com/watch?v=vF-hj6GI2VI>

### QUESTION 3

Click on the links and watch "Ground Rules - Chapter 6" and "Ground Rules - Chapter 7". What are some examples of sustainable initiatives that mining companies around the world are implementing? Has gaining knowledge about these initiatives changed your perception of mining? If so, in what way?
